Dear Sir / Madam,

A Seminar and Workshop on Bioassay methods in Natural Product Research

The College of Chemical Sciences is organizing a **Seminar and Workshop on Bioassay methods in Natural Product Research** on 30th September 2016. We kindly request you and your staff to take part in this invaluable seminar which consists of presentations and hands on experience in bioassays frequently used in Natural Product Research which will enhance the awareness of Screening Methods used in Natural Products.

The presentations will be conducted by experts in the area of Natural Products and will be useful for anyone who is actively involved in research related to Medicinal Chemistry, Agricultural Chemistry and Pharmaceutical Chemistry etc.

Please refer the program attached herewith, to enlighten the work expected on the day of the event. Also, the attendees will be awarded a certificate and a folder of materials with all the presentations.

Thank you

Yours faithfully,

.....
Prof. Priyani Paranagama and Dr. Dinusha Udukala
