Australian National Chemistry Quiz Contest 2017 held on Saturday 15th July 2017 by the Institute of Chemistry Ceylon

The Australian National Chemistry Quiz conducted in Sri Lanka is a unique chemical education activity designed to promote Chemistry among younger generation. It aims to promote interest in and appreciation of the role of chemistry and chemists in our society and engender a better understanding of the nature and relevance of chemistry among students. The quiz provides a major focus for secondary school students on the relevance of chemistry on an exciting and stimulating way. This year nearly 5000 students from 150 schools sat the exam throughout the island in 34 centers. The results of the above exam was released by the Royal Australian Chemical Institute and is given below.
